WANDA – 202620132

excl. 1x GU10 · max. 10W

- Cable switch
- Flexible
- IP20
- Lamp(s) not included
- Clamping lamp

Create individual lighting moments with the classic WANDA clamp light! Positioned correctly at your desk or on a shelf, the lamp provides optimum illumination thanks to the flexible adjustment options of the lamp arm. The light can be switched on and off using the integrated cord switch. The classic design is emphasised by the black and matt black colour scheme. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Metal · Black mat
